Circuit Systems India Ltd

B-24, GIDC Electronics Estate
Sector-25, Gandhinagar-382044
Gujarat - India
CIN NO: U74140GJ1995PLC024524
Ph: 7600012414 , 7600012415
Email: pcb@pcbpower.com

Service : Power Standard Service

Offer no : INQ159914

Date : 13/08/2018

To, LUMETRONICS

B-44, Giriraj Estate, Mahakali Road
Andheri East
Mumbai 400093
INDIA
Phone Nr.: 02226872170
Mobile: 9870263211

We acknowledge with thanks the receipt of your valued enquiry. Please find below our competitive offer.

PCB Name	Delivery Term	PCB Quantity(PCB)	Unit Price(PCB) ₹	Setup Charge ₹	Total Price ₹
1sqinch555	7 Working Days	5	274.00	0.00	1,370.00

BOARD SPECIFICATIONS FOR 1sqinch555			
Layers	2 Layer	Material	FR4
PCB Thickness	1.6 mm	Surface Finish	HAL (Sn-Pb)
PCB Dimensions	105.00 X 25.00 MM	Start Cu Thickness	17.50 µm
Panel Dimensions	-	I/L Cu thickness	0 µm
PCBs/Panel	-	Finish Cu Thickness	35.00 µm
Top Solder Mask	Green	Bottom Solder Mask	Green
Top Legend	White	Bottom Legend	White
TG	Std. Tg (130-140 °)	Layer Build-Up	Standard
Via Fill	No	Peel Off	No Peel Off
Carbon contacts	No Carbon Contacts	UL Logo	No
Hard Gold (Gold tabs)	0.00	Edge Connector Au Thickness	0 µm
Blind & Buried Via	No	Impedance Control	No
Electrical Testing	Yes	Tolerances	Refer www.pcbpower.com
Serialization For PCBs	No	Round Edge Plating	No
Special buildup	No	Bevelling	No
Print ET OK	Yes		

TOLERANCES			
DRILL TOLERANCES			
PTH HOLE SIZE	PTH Tolerance	NPTH Hole Size	NPTH Tolerance
0.50 - 3.50 MM	± 0.10 mm	< 0.30 MM	± 0.10 mm
> 3.50 MM	± 0.15 mm	> 0.30 MM	± 0.15 mm
OTHER TOLERANCES			
PCB Size	± 0.20 mm		
PCB Thickness	± 20% (Up to 0.8mm thickness) ± 10% (Above 1.0mm thickness)		
Trace Width/ Spacing	± 0.20 %		
Cu. Thickness Inside Hole	>= 0.20 um		

Terms & Conditions

Freight : Inclusive

Payment term : Cheque On Delivery-Current Dated cheque against delivery

Taxes : Additional at actual (18% GST)

Validity : 30 Days

Remarks :

Special notes :

1. All our deliveries are according to general terms & conditions available on the website. All above mentioned prices are based on the information provided by you at the time of sending the offer. This price may be reviewed at the moment of order acknowledgement, after verifying the final inputs & specifications of your PCB design specification.
2. Final quantity to be delivered may vary up to 5%.
3. Delivery terms will be applicable after the receipt of complete documentation and firm order.
4. Even though we take utmost care to deliver your orders on time, Due to the nature of process industry there may be unforeseen circumstances that can lead to minor delay which is beyond our control . Hence, no claims shall be accepted for delivery delay.
5. If order is confirmed after 10:00 am on any working day, that day is not included in

delivery days.

6. **ENIG finish prices are subjected to change based on surface area. Please visit website or contact us for further details.**
7. **Tolerances are as per above mentioned.**
8. **Material availability can be confirmed at time of order only. This may require change in delivery term.**
9. **Mentioned Delivery lead time is time of dispatch from our side. Transit time will be additional.**

We look forward to your valued order in favor of "Circuit Systems India Ltd".

Kind regards,

CSIL/PCBPOWER MARKET
